Dear Teachers, Parents & Students:

Kids for Kids, Dancing for Life, Inc. is pleased to announce the dates for our NINETEENTH Annual Performing Arts Competition.

When: April 19th, 20th, 21st, & 22nd, 2012

****Titles will be held on the first day of the event****

Where: North Haven High School

221 Elm Street, North Haven, CT

Kids for Kids is best known for our dedication to helping children, as well as the organized, relaxed atmosphere surrounding each event (not to mention the great food concessions!). We pride ourselves on the fact that ALL proceeds are given to children's charities and that our board members work strictly on a volunteer basis.

Over the last 18 years, with your help and support, we have raised over **\$750,000** for children in many New England communities. Without a doubt, our efforts could not have been successful without your continued participation in the events sponsored by our organization. The response during these last 18 years has been overwhelming, but amazing!

As a result of your continuing support, our competition has grown to such a degree that we are fast approaching our maximum capacity for entries. Due to this fact, it is **imperative** that all entries are received by the deadline.

- The entry deadline is **Thursday, March 15, 2012.**
- All entries **must be mailed** to the above address and postmarked **no later than March 15, 2012.**
- A \$5, per entry, late fee will be applied to all accepted entries postmarked after March 15, 2012.
- Entries will be accepted on a first come, first serve basis.
Once we have reached our maximum entry capacity, all other entries will be returned.
Unfortunately, there can be no extensions and no exceptions to this rule.
- Please note: we will not be accepting scheduling requests.
Title categories will be held on Thursday. All other entries will be scheduled Friday through Sunday.
- Please return your entry applications early!

We are again being allowed the privilege of using North Haven High School, which is a state of the art facility. The use of this facility is possible because we have kept our promise to keep the school property in tip-top condition. Thank you to those who have cooperated with us to follow the strict guidelines of the school board.

We hope that you will join us once again, as we make every effort to raise the necessary funds to help the many needy children and organizations in consideration for this year's proceeds. You can learn more about **Kids for Kids** and obtain competition applications from our website.
